

Why Offering Supplemental Benefits Makes Sense for Your **Company**:

Employees Will Benefit

- Cancer affects 3 out of 4 American families.¹
- Every 40 seconds someone in the U.S. has a heart attack.²
- 90% of injuries happen OFF THE JOB.³

No Costs to the Business

Supplemental plans are employee-funded. If they want it, they pay for it.

Easy to Administer

We meet each employee individually to assess their needs and enroll privately without payroll deduction.

Affordable

Customized premiums that can fit any budget.

No Minimums

You do not need to reach a minimum for employees to enroll.

Policies Are Impactful

Employers are often amazed at how many of their employees apply for coverage with us.

Why Offering Supplemental Benefits Makes Sense for Your **Employees**:

Benefits...

- Are paid **directly to the employee**, unless they instruct otherwise.
- Are paid **in addition** to any other insurance they may have.

Coverage...

- Is **guaranteed renewable** for life as long as premiums are paid on time. Only the employee can cancel.

Premiums...

- **Do NOT** increase with age.
- If the employee qualifies, **we will return premiums**, less any claims paid to the employee, after the policy has been in force for the specified time period.*
